

## Second Hand Second Hand YouKits FG-01-MKII HF/VHF Antenna Analyser

PRODUCT CODE : SH-FG-01-MKII

**£209.00**

(no VAT) QUANTITY 1

Youkits FG-01MK2 1-60Mhz Antenna SWR ANALYSER Assembled unit, tested and ready to use.

Portable design easy to carry and operating Comes with 14500 battery holder, Optional 18650 battery 1-60MHz automatic analyser (1-72MHz usable)

10 MEM

Color display with detail information

Center freq step:1K,10K,100K,1Mhz

Scan width:10K-50Mhz in 12 step Size: H 9.8cm x W 5.8cm x D 3.8cm

Weight: 250g (380g with battery)

New Antenna impedance scan function!

New IC and Switching power supply with half power consumption, 14 hours working time with full charged 18650 battery pack.

Much less heat!

Supplied with battery & charger!
