

Wedding Gowns Collection

The KAREN WILLIS HOLMES Bespoke wedding gowns are a collection of designer wedding dresses that are made to order. Our Bespoke bridal gowns are designed and manufactured in our Sydney head office by our team of experts and individually made with love.

KWH by KAREN WILLIS HOLMES Bridal Gowns Collection

The KWH by KAREN WILLIS HOLMES bridal gown range is entirely ready to wear and can be purchased off the rack, like normal fashion clothes in that they come in standard sizes and are not made to order.

These wedding gowns are designed in Sydney, Australia by Karen and hand beaded in India by a team of artisans. These bridal gowns are available at all of our KAREN WILLIS HOLMES bridal stores and in our stockists in Australia and internationally.
