Diamonds Above: An Austin Jeweler Specializing in Engagement Rings, Watches and Fine Jewelry

At Diamonds Above we provide a unique shopping experience for engagement rings, fine jewelry and designer watches. Instead of greeting you in a large showroom with a sales representative, you will be greeted for your personal appointment by our owner and jeweler, Tom Hoskins. With over 25 years of experience as an Austin Jeweler, he is here to help you make the best decision for your taste and budget. At our Austin location located off Burnet Rd just south of Anderson Lane, you will be able to see 100s of samples from top designers we trust to provide the best quality jewelry with a extensive variety of styles to choose from. If we cannot find the perfect ring, watch or other piece of fine jewelry from what we have on hand, we can order other samples from our designers with no obligation to the buyer. This gives us access to a inventory that is sure to have the perfect piece for you.

Not only do we provide very personalized services, but also provide you competitive prices. Most customers that go to other jewelers before coming to Diamonds Above report a savings of at least 20%! We do this without sacrificing quality by cutting out the middleman and ordering directly from the designers while keeping our overhead low. We do not have a huge showroom with the top of the line displays, but instead an inviting office where we attend customers by appointment only.
