New Orleans Duck Hunts are done primarily out of Dularge, Louisiana. The brackish water marshes hold a variety of ducks that migrate to the waters around New Orleans & Dularge Louisiana. Teal, gadwall (grey duck), mallards, wigeon, redhead, pintail, canvassback, and scaup are some of the ducks you can expect on your Louisiana duck hunting trip. 12 gauge shotguns are recommended with #2, 3, or 4 steel shot.

Louisiana Bowfishing Charters

Louisiana Bowfishing Charters is a sport growing in popularity among outdoor enthusiasts. Louisiana Bowfishing Charters require slow movement through the shallow marshes spotting various game fish that you can target using bow and arrow. It is a unique combination that links hunting and fishing for an amazing time when you visit New Orleans, Louisiana. Our New Orleans Bowfishing trips are done in a 2060 Gator Tail with dual surface drive engines. NO generators are needed to run our 16 powerful LED lights that light up the marsh like a spaceship, so no earplugs are necessary.

Louisiana Speckled Trout Fishing

Louisiana Speckled Trout Fishing Trips, also known as Spotted Sea Trout Fishing, are found in abundance all along the coast of New Orleans, Louisiana. Southeast Louisiana offers the most liberal limits of speckled trout fishing in the country (25 per person). Speckled trout can be identified by their light gray or silverish color with black spots all down the side of the fish's body. Speckled Trout average 2 to 4 pounds each with some as large as 7+ pounds. Come on one of our New Orleans Fishing Charters and see for yourself! Trout like to target live, moving prey, so artificial swim-baits are often the best tactic.

New Orleans Redfish Fishing Charters

Louisiana Redfish can be found everywhere from offshore in hundreds of feet of water to inland shallow freshwater ponds swimming along with bass and other freshwater fish. Redfish range from just a couple pounds to 50+ pounds. Come on one of our New Orleans Fishing Charters and see for yourself! They can be identified by their bronze color with a black spot near the tail. A variety of tactics can be implemented to catch this New Orleans trophy fish, but a favorite among the locals is sight casting. You move slowly through the marsh and cast to them using spoons, swim baits, or topwater baits.
