

Brochure, Notebook, School Magazine and Photo Book Printing Singapore

Photo Book

A home for your precious memories

Photo books are a great way to keep and revive your memories for years to come. Photo books are also a superb way to share your memories with your relatives and friends. You can create different themes for your photo books: birthday, wedding, graduation, travel or anything that you can think of.

Photo books are an excellent gift for your loved ones. A photo book is a treasure trove filled with memories that your loved ones and you share. You can also create a photo book that display your company's progress, completed projects or event.

You can select from a wide range of layouts, covers and design options and create attractive and stylish photo books your friends and family will love. All you need to do is simply pick your favourite photos and upload!

We offer a variety of paper stock and binding styles. Print quantity is available from 1 onwards.

Art Book

Get creative with an amazingly beautiful art book

Create a portable exhibit of your artwork when you print beautifully designed art books perfect for galleries and museum stores. Whether you're looking to present your art in a grand coffee-table hardback or a slimmer pamphlet style softback, we'll make sure your art book is printed with the utmost care.

We offer a variety of paper stock and binding styles. Print quantity is available from 1 onwards.

Children Book Printing

Have a fantastic idea for a children's book? Make your children's book come to life with Pixiergram. There will always be an audience that appreciates a physical book's look and feel. Pixiergram's technology for printing custom books puts the creative freedom in your hands. Most children's books rely more on their pictures than their words, and it's important for the artwork to be captivating rich in colour. Put the smile on children by bringing your words and images to the printed page in a beautifully bound book, printed with vibrant colours and made with the utmost quality.

We offer a variety of paper stock and binding styles. Print quantity is available from 1 onwards.

Comic Book

Gorgeous comic book at an affordable price
